Dear Ms. Heston:

RE: Request for Extension of Due Date
for Response to RCRA Section 3007 Letter

This letter is in response to your February 10, 2003, request for an extension of time, until April 6, 2003, to submit the information requested in the February 4, 2003, letter. It is my understanding that this extension is needed in part because of the amount of time it will take to compile the mass balance information.

Your request is hereby granted. Your submittal, which was due on March 6, 2003, is now due in this office by April 7, 2003. If you have any questions, please contact me at (913) 551-7887.

Sincerely,

Jim Aycock
